Winemaker: José Neiva

Country: Portugal / **Region:** Estremadura

Grape Varieties: Touriga Nacional 50% and Tinta Roriz 50%

Vinification method:

Classic fermentation method with destemming and pre fermentative skin contact followed of the application of dry yeasts. and . Fermentation up to 30° C in the first 2/3, and lowering down to 20° C during the last 1/3. During the whole fermentative process, pumping over 2 times per day, using each time half of the volume contained in the vat.

After the alcoholic fermentation, the cap is plunged for 30 days, and during that period, extraction of the gentle tannins is conducted, along with the malolactic fermentation and the natural stabilization of the wine.

Wine is aged in American, French of Allier and Portuguese oak barrels of 225 Lt, from the best origins, for 3 months.

Winemaker tasting notes:

With an intense colour and character full bouquet, this is a full-bodied wine of excellent concentration. Although strongly structured and complex, the palate is deliciously smooth and ripe. Flavours of dark fruits are seasoned with herb notes and subtle aromas. The finish is dry and extremely persistent.

Serving suggestions:

Excellent by itself or with any full flavoured dishes.
