Vinho Regional Lisboa | red 2015

Winemaker: José Neiva Correia
Country: Portugal / **Region:** Lisboa

Vinification method:

Classic fermentation method with destemming and pre fermentative skin contact followed of the application of dry yeasts. Fermentation up to 30° C in the first 2/3, and lowering down to 20° C during the last 1/3. During the whole fermentative process, pumping over 2 times per day, using each time half of the volume contained in the vat. After the alcoholic fermentation, the cap is plunged for 30 days, and during that period, extraction of the gentle tannins is conducted, along with the malolactic fermentation and the natural stabilization of the wine.

Winemaker tasting notes:

A delicious wine. Captivating with its impressive aroma and perfectly smooth flavour of fresh cherry, raspberry and spice notes. Smooth medium body red wine the end of tasting it's tasty, elegant and persistent.

This ripe wine is balanced, with a fresh core that goes well with the lightly tannic structure. It has a spicy aftertaste that is dense while always fruity. Drink now.
