

PEDRAS DO MONTE

Castelão | Vinho Regional Península de Setúbal | red 2015

Winemaker: José Neiva Correia
Country/ Region: Portugal / Península de Setúbal
Grape Varieties: Castelão

Vinification method:

Classic fermentation method with destemming and pre fermentative skin contact followed of the application of dry yeasts and fermentation up to 30° C in the first 2/3, and lowering down to 20° C during the last 1/3. During the whole fermentative process, pumping over 2 times per day, using each time half of the volume contained in the vat.

After the alcoholic fermentation, the cap is plunged for 30 days, and during that period, extraction of the gentle tannins is conducted, along with the malolactic fermentation and the natural stabilization of the wine.

Wine is aged in French of Allier oak barrels of 225 Lt for 3 months.

Winemaker tasting notes:

Bright ruby color, this wine is full of character and flavor. The palate shows delicious ripe but mature fruit with distinctive forest fruit aromas and hint of oak-spice cassis. It has a smooth, full body with a good firm structure and very persistent, elegant soft finish. João Paulo Martins; Vinhos de Portugal 2016; "Very well in color and aroma, here is ripe but not tiring fruit that commands the tasting, it's very attractive. Polished, soft in the mouth, well balanced and with great gastronomic aptitude, is an absolutely consensual red, everyone likes this."

Serving suggestions:

Excellent with or without food, recommended with meat, pasta, cheese and any full flavoured dishes. We recommend to serve at the temperature of 16-18°C.

ABV at 20°C%: 13,0

Volume at 20°C g/cm³: 0,9917
