

## **CORETO**

Vinho Regional Lisboa | white 2023

Winemaker: José Neiva Correia Country: Portugal Region: Lisboa Grape Varieties: Fernão Pires 81,5% | Arinto 12,5% | Chardonnay 5.0% | Moscatel 1%

## Vinification method:

Destemming contact with skin contact. Cooled to 15°C, the must is then vacuum filtered with perlites. The fermentation is achieved through active dry yeasts, the temperature being controlled between 16°C and 18°C.

## Winemaker tasting notes:

A crisp, refreshing wine with a full fruit flavour and good body. Only premium quality grapes are used and this is shown by the combination of delicate aroma, delicious apple and grape fruit and a lively citrus finish.

## Serving suggestions:

Chilled, it is excellent with food or by itself. Will accompany, for example, fish, and white meat, vegetarian and Asian dishes. We recommend to serve at the temperature of 8-10°C.
